

## About Expressions

During one of the curriculum review meetings, class five teachers were very keen to commemorate the learning journey of their students as they stood on the threshold of a new phase in their lives. '*Expression - A little bit of this, a little bit of of that*' was born that very moment, to treasure the memories of the year gone by, cherish the process and path taken to arrive from Primary school to Middle School.

Growing up is hard to do, yet pleasurable. Though their Primary years, these students have undergone numerous changes with imaginative thinking, inquisitive minds and unending questions at every step. They need a voice to express these and we at Genesis have empowered them with the words and led them to the path. 'Expressions – A Little bit of this, a little bit of that' is each class five students.' Language work put together with a dash of art so as to celebrate creativity with uniqueness.
