Junior School Annual Day

Dear Parent,

The rehearsals for the Junior School Annual Day (Classes 2 to 5) on 17th September are going on with great rigour and time is of utmost essence. Each day is precious for the rehearsals and every extra bit of time used by students is valuable. In order to set the mood high and continue to be in the rehearsal mode we have decided to work on this Saturday, 27th August 2016.

- On Saturday, 27th August 2016, we will work from 7:45 am till 12:30 pm, bus routes shall ply accordingly. Kindly calculate the time for fetching and dropping children in accordance with the timings.
- All children must carry their water bottle and school diary.
- A breakfast and snack will be provided to the students in the school to keep them energized.

Best wishes,
