The Doon School Rudraprayag Social Service Project and Trek

Dear Parent,

It gives me immense pleasure to announce that our school has been invited to participate in The Doon School Rudraprayag Social Service Project and Trek to Kartikey Swami Temple and Deoria Tal from **26th September to 2nd October, 2016**. The school is hosting this project for the fifth time post the Kedar Valley devastation in July 2013.

They are constructing school buildings for Takshsila Public School which was submerged under the river Mandakini during flash floods devastation in July 2013. Last April, they had completed the first phase of the construction of Takshsila school building and had handed it over to the school samite; now they have started the second phase of construction of the same school building.

Currently, the school is running with 125 children in the new building; some of the rooms have two classes together which is very inconvenient for the teachers as well as the students.

Participants will be required to do the following during this project:

- Help construction workers to shift raw materials from road side to construction site
- Help construction workers with mixing cement and passing cement mixture to mason
- Help in shifting bricks to mason
- Any other assistance required by the mason/workers
- Teaching and working with students of Takshsila School

Genesis being a Global Round Square School would like to take part in this conference. This Conference will provide a great opportunity for our students having an enriching and exciting experience. total cost for attending this conference is **Rs. 37,000/-**. This will include travel by train, stay and all meals.

If you are willing to send your ward for this Round Square Conference, kindly send your consent latest by **15th September, 2016** to Ms. Poonam Singh at rsggs@genesigs.edu.in

Warm regards,

Pramod Sharma

Director - Principal
