Appointment of Principals in the School

Dear Parent,

I am happy to inform you that the School has grown and is progressing well and has an excellent word of mouth amongst our parents and the area in general. We have more than 1400 students this year with an excess of 300 students in the Boarding from all over the country and overseas. We will be expecting our 4th IGCSE, 4th CBSE XII and 2nd IB DP results this year. As usual we expect our students to do well.

To keep up this progress in an expanding School, we have appointed three Principals viz. Ms. Neeti Bhalla Saini as Principal, Junior School (up to Grade 5), Mr. Ajay Singh as Principal, CBSE (Grades 6 -12) and Ms. Seema Hanvey as Principal, International Certification (Grades 6-12).

This would allow better attention to both the curriculum and the students' needs. Kindly address your concerns with the respective Principals mentioned above to get quick redressal and engagement.

I am now full time School Director and as usual will continue to be available in School.
Warm regards,

Pramod Sharma

School Director
