

Dear Madam/Sir

It is with great pleasure that I invite your esteemed institution to participate in LANDMARK - a cultural extravaganza to be held at Genesis Global School, Noida on **July 28, 2017**.

Genesis Global School began its journey in the year 2010 with a vision to produce confident and sensitive future leaders. We believe that a harmonious blend of the academic and the co-curricular would certainly add panache to the personality of students.

LANDMARK, a cultural journey, has been conceived with the same thought that our students will truly be scholars only when they are well versed with music, art and literature. In order to create global citizens of tomorrow, the students must develop a healthy spirit of competition.

LANDMARK, a vibrant and colourful festival, promises an equal and fair opportunity to every student who "Aspires to Inspire". It offers a plethora of activities that will unfurl the creativity of every child. From the feisty Ad-Mad to the soulful music to the rhapsody of rhythmic dances, it has all been designed to propel the intellect and discover the latent potential of every individual. Landmark is indeed a celebration of youthful scholars and their innovation and talent.

We look forward to your participation.
