It is a signature event of Genesis Global School and is built around the healthy competition of Debating and Quizzing Activities. Around thirteen schools including a few that came from as far as Dehradun, Ajmer and Mumbai participated in it. With well planned presentation and planning, this year's Landmark Conclave proved to be a stimulating and exciting event. Mr Prakash Pant, member of the Uttarakhand Legislative Assembly was the Guest of Honour for the ceremony. We put a tough competition and we did fairly well in the Quiz where Morden School stood first. But our school did us proud by winning the debate.

RAKHI CELEBRATION

Rakhi is an important festival in India. It is an integral part of our Indian culture as it promotes the feeling of brotherhood and sisterhood amongst one another. With the rakhi (the sacred thread) tied on the wrist by his sister, the brother takes a vow to protect his sister from all the evils that might cross her path in her life. This word he promises to keep till the end and to the best of his capability. In our school the SIRs had a small Rakhi Celebration on the 7th of August. The girls tied a Rakhi and shared some palatable sweets with the boys.

INDEPENDENCE DAY CELEBRATION

Candle lighting ceremony was organised on the eve of 71st Independence Day. The lighting of the candles was a staunch efforts from students' side to express their respect towards the martyrs of India and also to celebrate their solidarity towards their nation.

Kite flying in evening was also enjoyed wholeheartedly by all the participants. The sky above the school became dotted with beautiful rainbow colour of kites. The kites of various colour flying together was also a symbol of integrational diversity, which is a phenomenal and unique feature of our nation India.

OPEN DAY FOR THE PARENTS OF SIR'S

On August 18th 2017, an Open Day was organised for the parents of the hostellers. It commenced with an orientation conducted by the Head of Residences. This was indeed a great opportunity for the parents to observe the functioning of the hostel and interact with the house parents. The open day allows a parent to peek into their child's life and understand the way he is being nurtured. Suggestions and feedback were taken from the parents and we look forward to incorporate them.

INVESTITURE CEREMONY

This is followed by the Batch Giving Ceremony led by the School Director and the School Principals. This year fourteen out of twenty four Head Council Members and fourteen out of twenty two Class Representatives from the hostel have been privileged to be bestowed with this honour.

MOVIE SHOOTING AT OUR SCHOOL

Around four years back the school gave its consent to the shooting of the movie 'Super Sub' on its premises. This movie is about Football and is therefore basically for football lovers. It was a proud moment for the school when this year the climax of this movie was shot in the school campus on 25th of August. This movie is proposed to be released next month. The purpose behind this whole setup is to promote and encourage our young footballers to dream high and understand that nothing is impossible if you have the desire to win. Our honourable Director Mr. Pramod Sharma is also a part of this upcoming movie. Not only this it is indeed a privilege that our School Football Team is also featuring in some of the prominent sections of the movie.
