Regional Round Square Service Project - Scindia School for Grades 11 and 12

Dear Parent,

The Scindia School will host the Regional Round Square Service Project from **19th to 23rd December, 2017** at the village of Nathon ka Pura which is 20km from Gwalior. Genesis Global School has got the honour to participate and volunteer in the service project that is being held in Gwalior in order to bring help the underprivileged.

Nathon ka Pura is a 60 years old village which has a population of about 1500 people distributed over nearly 100 families, who live in abject poverty as they have lost their main vocation of snake charming due to a ban.

The Scindia School has decided to support these villagers to improve their living conditions and has given the students of Genesis Global School an opportunity to be a part of the service project.

The Service Project will provide a platform for a wide range of interactions between the delegates. Gwalior is located 105 kilometres to the south of Agra and 319 kilometres south of Delhi, the city is also a seat of major cultural and mythological importance

The main goal of the service project will be to construct channels around the houses in the village, the drainage of water and to carry out the fifth phase of income generating training-cum-production units for women.

At The Scindia School, the students will be accommodated in the school dormitories and will visit the village which is 20km from the school by school transport. The school ensures that the entire area around the village is safe.

Students of 15-18 years are allowed to take part in the service project. The cost to take part in the service project is **Rs 26,000/-**.

If you wish your ward to participate in this service project, kindly send in your consent through email to Dr. Poonam Minhas at rsggs@genesissgs.edu.in latest by **20th November, 2017**.

Warm regards,

Pramod Sharma
School Director

.....
