VISIT TO THE PRESIDENTIAL PALACE

Seventeen residence scholars belonging to northeast part of India were invited by Mr. Robin Hibu (IGP from NE to work on the Rashtrapati Bhawan) to visit the Rashtrapati Bhawan on 1st Feb, 2018. Over 300 people from NE states were present from Delhi and NCR. Rashtrapati Bhawan is one of the largest presidential palaces in the world with 130 hectares (320 acres of land) and constructed in 1912. It was a unique opportunity to witness the magnificent architecture which consist of 23 living rooms, massive pillars, huge chandeliers, beautiful artworks in the ceiling, picture of freedom fighters, canvases made by world famous artists and souvenirs from all over India. The overall experience was indescribable, fascinating and mesmerizing and at the same time it sharpened their knowledge about India and its history.

VISIT TO R K KHANNA STADIUM

On 7th Feb, 2018 few junior scholars from the residences visited R K Khanna stadium, Delhi to watch the spectacular match of tennis between India and China in Fed Cup Asia-Oceania group -1 tennis tournament. Ankita Raina who represented India won the match with a score of 6-3 and 6-2, defeating the Chinese player, Lin Zhu. Our school motivate our young Genesians to excel in their field of choice whether sports or academics.

STUDENT EXCHANGE FROM FRANCE

Under student exchange program, our school hosted Evariste Roy Barman, a student of grade 10 from Lycee de Vallee de Chevreuse, Bourg-la- Reine, France. He stayed at our residence from 12th Feb to 2nd March, 2018. We found him as a vibrant learner, ready to immerse himself in new culture to create an unbreakable bond. Visits to historical places of Delhi and the nearby areas like Lotus Temple, Qutab Minar and Taj Mahal enabled him to learn about the Indian culture as well as fortified his ideas to promote exchange programs to India.

AUTO EXPO—THE MOTOR SHOW 2018

A group of 16 scholars escorted by two teachers from the residences visited The Auto Expo at The India Expo Mart on the 14th Feb, 2018. The show was a massive showcase of cars and bikes from top brands and the response to the show was immense even on the last day of the show. There were high end cars ranging up till ₹ 2-3 crores in the expo and electric and small cars ranging as low as ₹ 1 lakh. The best part of the show was the vintage car section where the organisers had showcased priceless and rare cars for the visitors. The sports cars from BMW were just eye-openers, the SUVs from Mercedes-Benz caught our attention, the Tata concepts were just a dream come true for all of us, the modified Mahindra Thar from DC Design stole all of our hearts while the mobile home from Isuzu got all of us biting our lips. All of us had a great time there and it was a great opportunity that the school offered us to learn and experience the future of automobiles.

MOVIE OUTING

The school took the SIRs to a movie outing on 3rd Feb, 2018 to the Wave Mall, Noida. Padmaavat is a reason for recent conflicts in the nation, but it touched the hearts of the scholars. They were taught about being confident to express their views and about the poetic origins of the movie's plot from medieval times. The children enjoyed the film and returned with a wider perspective about such issues.

INTER-HOUSE FOOTBALL TOURNAMENT

Seven-a-side inter-house football tournament was organized in the residence on 17th Feb, 2018 for the boys of middle school. The school comes up with such activities to encourage the next generation of sportspersons and to inculcate habits like teamwork, leadership and sporting spirit among the scholars. Daksh Vats (class 8) was the highest scorer of the tournament with 6 goals.

The position of the houses is as follows:

First Position – Valour House

Second Position — Faith House

Third Position — Peace House

YOUNG CHANGEMAKERS CONCLAVE

On 24th Feb, twenty scholars from the residences got the unique opportunity to attend Young Changemakers Conclave at Indira Gandhi Stadium, Delhi. The agenda of the conclave was— social impact and innovation 2030. We met with many famous personalities like Dia Mirza, Laxmi Narayan Tripathi, Hayley Wickenheiser (a famous ice hockey player of Canada), Ishita Chaudhary, Vikram Kailas and Amitabh Kant. They discussed about issues like women empowerment, environmental pollution and role of youth in nation building. The chief guest, the young prime minister of Canada— Justin Trudeau had refreshing and new ideas about how to make the world a better place. He talked about gender equality, anti-globalization and the youth being the makers of the society. He quoted that, "children are not the leaders of tomorrow rather the leaders of today". He is trying to raise awareness about gender equality in his country by providing equal opportunities to both men and women in service industry as well as in parliament. The program concluded with poem recitation by the famous poet Rupi Kaur.

MOVIE SCREENING

Residence scholars of junior school were shown two animated movies in the weekends - Coco and Hotel Transylvania 2 .They thoroughly enjoyed the movies and wanted this activity to happen more often.

VISIT TO THE NOIDA FLOWER SHOW

Our Scholars-in-Residence visited the Noida Flower Show on the 24th Feb, 2018 at Noida Stadium. The 32nd Annual Noida Flower show was organized by Horticultural Department of Noida authority and the Floricultural Society Noida. The theme flower of the show was 'Petunia'. Children enjoyed colourful display of various plants and flowers as well as fruit and vegetable carvings. The show extensively showcased ecofriendly plants which gobble up toxins and leave our environment clean.

GENESIS CONVERSATIONS WITH MS. SRISHTI BAKSHI

Genesis Conversations is an interactive platform where scholars meet eminent personalities from various fields like sports, arts, academics etc. The one on one interaction gives our scholars a chance to air their doubts and ask questions directly to the experts. Our school welcomed Ms. Srishti Bakshi on 27th Feb, 2018 for Genesis Conversations. Ms Srishti Bakshi has been walking across nine states, covering a distance of 2,800 km to spread the message of women safety. She is on a 3,800 km journey from Kanyakumari to Kashmir covering the entire length of the country in 260 days. She started her journey seven months ago from Kanyakumari in Tamil Nadu where she and her team of 12 members are collecting data regarding socio-economic status of women in India and the issues they face. She intends to submit her research paper to the Union Ministry of women and child development after the completion of her journey. She has been selected as a Champion for Change 2017, by United Nation's 'Empower Women Initiative'. The United Nations Women and the National Commission for Women are officially supporting her project 'Crossbow'. At the conversations, Ms. Bakshi interacted with the scholars, listening to their thoughts on women issues and their safety in India. She shared her experiences with the scholars too, telling them about the people she has encountered on her journey so far.

COMMUNITY SERVICE

On 2nd Feb, 2018 few girls from the residence visited an organization called 'Titliyan'. Titliyan is a NGO located in Noida, working towards educating underprivileged children in India, especially among the low income communities. The scholars were enthusiastic to meet the children there and spent quality time with them by interacting, teaching and playing with them. While returning, the scholars distributed books and stationary items to them. Few girls from the residence visited Assisi Convent School, Noida on 14th Feb, 2018. Assisi Convent School is a private unaided Christian Minority Institution established in 1987 by the Sisters of the Franciscan Clarist Congregation under the administration of Noida Assisi Sekchik Sanstha of the San Damiano Province. It aims at imparting an education which will bring about the intellectual, social, aesthetic, spiritual and physical growth of the child's personality. The school also has in its campus, Asha Sadan, a rehabilitation house started by Prison Ministry India, in initial collaboration with Kiran Bedi IPS, for children of people who are in prison, unable to take care of them. Scholars enjoyed playing football there and spent a quality time with them.
