TEACHER'S DAY CELEBRATION

Teachers' Day is celebrated every year on 5th of September to honor and acknowledge the contribution made by the teachers in shaping and molding the life of students. Our school celebrated Teacher's Day with great zeal and zest. Scholars put up a plethora of songs, dances, skits and music performances to entertain the teachers. The teachers thoroughly enjoyed the programme.

BHUTAN DAY VISIT

The 50th Anniversary of formal diplomatic relation between Bhutan and India was celebrated by the Bhutan Embassy in the Indira Gandhi National Centre for the Arts (IGNCA), New Delhi. The occasion saw the depiction of Bhutanese Culture through its myriad forms. Our Scholars in Residence including those from Bhutan partook in the festivities and a few lucky scholars got a chance to interact with the Ambassador from Bhutan to India, H.E Maj. General Vetsop Namgyel. Besides being fun, well-managed international festivals and events offer a host of learning opportunities for scholars. It was a chance to observe another culture, interact with people from other countries and get a taste of the local cuisine all add up to offer a holistic learning experience .

CRICKET MATCH SCREENING

The Scholars in Residence were shown two cricket matches (India vs Pakistan and India vs Bangladesh) from the Asia Cup 2018 on the big screen. It was exciting to see India winning the Asia Cup. The scholars thoroughly enjoyed both the matches and wanted such matches to be showcased repeatedly in the future.

GENESIS CONVERSATION

Genesis Conversation is an informal discussion platform, organized especially for senior scholars, giving them an opportunity to gather knowledge about the true demands of a successful career. Founder & former Chief Executive Officer of HomeShop18, Mr. Sundeep Malhotra, a veteran from the retail and consumer facing industries was invited at our school to interact with our students from Grade 9-12. He is amongst the first few people who ventured into the digital and e-commerce industry within the country. In a free rolling interaction with our students, Mr Sundeep Malhotra touched upon the highs and the lows of his career. In the end he recommended learning Mandarin, concentration on IT skills, understanding Entrepreneurship & developing Personality & Communication as some of the skills fundamental to future success.

CAREER FAIR

The GGS University Placement Cell organized Career Fair at our school on 28th Sept, 2018. Many universities across the world participated and interacted with the Genesians. Scholars got to know about emerging careers, education systems in various countries, the applications process, and more. The scholars found this interaction very fruitful and many of them tied up with different universities for future reference.

PARENT—TEACHER MEETING

The Parent-Teacher Meet for the first academic term was held on the 29th of Sept, 2018. Parents on this day got an opportunity to interact with the teachers and principals about the performance of their respective wards. The main objective of the meeting was to create a common platform, where teacher and parents come together to discuss student's performance and devise ways to enrich their learning experience. The teachers briefed the parents about their ward's performance during first term. Together they identified the areas of strength and weakness of the child and sorted out ways to boost the child's performance. Parents were encouraged to appreciate student's participation in all academic activities. This helped to create the necessary consciousness among parents to stimulate their interest in the students and the school. Parents gave their view points and suggestions to teachers regarding the school and its development. Activities and projects made by the students were displayed for the parents on the second floor near Mentor's Lounge. A book exhibition was also organized for the parents and the scholars.

IB CAS TRIP

As a part of the IB Diploma Programme, The students of 11 IB DP went for a CAS trip to Tehri on 21st -24th Sept, 2018. The trip was organized in order to complete an essential element of The IB i.e; CAS-Creativity, Activity and Service. While on the trip, The students took part in a photography competition and did hikes both on the road and off the road. They took part in activities such as Bush-Crafting where in they all were tied together through rope and they slid down the mountain peak. As a part of their Service Element, they visited a local government school (Rajkiya Junior High School, Digothy) where our Genesians interacted with the under-privileged children, played small interactive and amusing games. The students contributed funds and bought basic necessities for the children in the school. The trip was really adventurous and a fun-filled learning experience for all our Genesians.
