

Reference No. : 2018 - 19/ PRIN IC/104

6th February, 2019

Dear Parents,

SUB: - ORIENTATION FOR INTERNATIONAL CURRICULUM

We endeavour to keep our Students and Parents informed about the School and the options available for our students. As such, we organise at least 4 PTMs and 5 Orientations for the International Curriculum students every year.

Our next Orientation is on Saturday, 16th of February 2019, to inform all our Parents about the Curriculum that the School offers in Grades 9,10 (IGCSE) and 11,12 (IB Diploma Programme) and Grades 6,7,8 (Middle Years Programme) from International Baccalaureate. The rationale for these orientations is for our Parents and Students to make an informed choice of Curriculum and to understand the Philosophy, Pedagogy and the Assessment process of the International Curriculum. Accordingly, we take pleasure in inviting all Parents of Grades 5 to 12 for the Orientation on Saturday, 16th February 2019 at Genesis Global School.

We will also have counters for Princeton Review & Test Racker - for SAT classes, Cogito Hub for individual University Placement Counselling and The University Placement Cell of GGS.
