It gives us immense pleasure to announce that our school has been invited by Maria Public School, Guwahati, Assam to the Conservation Education & Community Service Camp, 2019 from **15th to 19th October 2019** in the villages of **Gelpur, Tijara and Ranthambhore, Rajasthan for 12 to 16 year olds.**

About the Project:

This is a Service Project jointly organized by Maria's Public School, Guwahati, Assam, India and the Maria's Braveheart Camp, our own Conservation Education & Community Interaction and Study Center located at Gelpur, Rajasthan (just 2.5 Hours Drive from Gurgaon), in sync with the **Round Square IDEALS - Environmental Stewardship, Leadership & Service**. The Programme is also being supported by the Forest Department of Rajasthan.

October Service Camp would bring to the participants the basics of research activities for biodiversity Census, and would train them through the realistic ICT Tools, Biodiversity Survey & Wildlife Census Techniques, Identification methodologies for Species, Survival Techniques, which they can cascade to the local communities of the villages of Gelpur, Tijara & Ranthambhore - the people of the Aahir, Kumhar, Jogi, Meena and the Baniya Tribes. The Service Project is also designed to give brick, build and paint experiences to the participants as they would be involved in infrastructural developments in 3 small Govt. Schools (involving the Design of Infographics and Wall-Art), which MPS has been supporting, over the past 5 years. The Service project would also be an activity through which we want to harness the cohesive force of Round Square Schools and build a strong Task-Force of Students and Teachers, who would be engaged in **collaborative follow-up projects**.

Participation in this Service Project will provide a great opportunity for our students to have an enriching and exciting experience.
