Dear Parents,

SUB: #GGSMakesDiwaliHappier Season 3

Winter is around the corner and along with it the season of festivals has begun.

With Diwali just weeks away, it will be glitter and joy for most of us. This is also the best time to share our happiness and joy with those less fortunate than ourselves. Which is why like every year, Genesis Global School brings you #GGSMakesDiwaliHappier. It's not only a campaign but an opportunity to make an impact on the lives of those who are battling it harder than us every day.

GGs in association with DCCW (Delhi Council of Child Welfare) would like to make #GGSMakesDiwaliHappier for PALNA (which means "cradle" as well as "nurture") a home for the abandoned, homeless and destitute children. Ranging from few days old to 8 years in age, these little children are on the fringe of our society and seem largely forgotten. PALNA receives children in a "palna" which is placed right outside the gates of DCCW in Qudsia Bagh, Old Delhi. As soon as a child is placed in the cradle, a siren is immediately activated, and a nurse comes to aid. Children are also sent here through the police, hospitals and clinics.

Here is how we can help in making this campaign a success:-

We personally met with the Director of PALNA Dr. Sandhya Bhalla , she highlighted that their main requirements for children at Palna are counter top medicines and daily household items. We received a list of Items which we can procure for the organization (Picture Attached). **You are requested to kindly stick to the items mentioned in the list as these are the only requirements at the moment.**

Starting from Wednesday, 9th October, the school will begin the collection drive wherein GGS scholars will be encouraged to get items mentioned in the list. They can hand them over to their class teachers.

Last date for receiving the items will be **17th October, 2019**. As GGS Scholars will be going from to PALNA on 19th October, 2019 to spend a day with children there and deliver all the gifts that we hope the scholars will collect diligently.

We would also request you to kindly involve your child in this process to make it a larger learning experience.

Hoping that #GGSMakesDiwaliHappier for everyone!

Best Wishes
The School Office

Items	Reference	Items	Reference	Medical Items
Diapers XS-S-M-L-XL Pack of 56		Floor Cleaners 1 Ltr		Normal Saline 500 ml (Nirlife) Pack of 10 bottles
