

THE CAMARADERIE

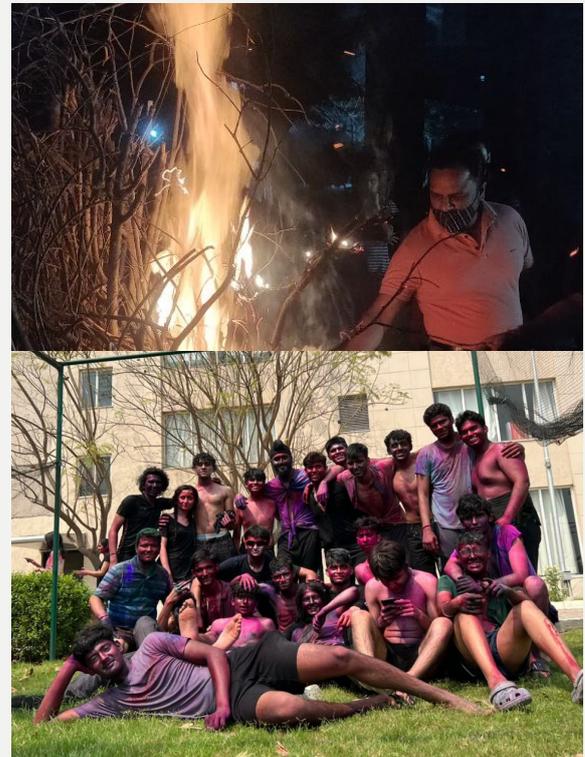

Holi Celebration

“Painting the skies in hues of Holi”

The red, amber and ochre flames of the Holika Dahan bonfire lit by the resident teachers commemorated the victory of good over evil on the day before Holi.

On Friday, 18th March, Holi was played with utmost happiness, joy and colours in the school playground. The boarders, resident teachers and houseparents had a wonderful time. They danced, played, enjoyed snacks, chased each other and filled the environment of the boarding house with cheerfulness and laughter once again.

One of the most joyful festivals of India, Holi is celebrated in almost every part of the country and this “festival of love” inspires everyone to unite, forgetting all resentments and ill-will – a significant message in the modern era.

Fall Ins

“Back to School: familiar routines, new roles”

The school is back in session and the corridors of the boarding house have begun to resound with the laughter of the resident students once again. Morning fall-Ins have started taking place with Mr. Randolph Mitson addressing the students in the morning as the new Head of Residences.

The students get to start their days with the morning prayer and the announcements about the boarding rules and regulations as well as the upcoming events. With Mr. Sandeep and Mrs. TShiring as the boys' hostel houseparents and Mrs. Cinthya as the girls' hostel houseparent, the students always have someone around them in time of need, making the Residence a home away from home.

Ice Breaking Session for New Boarders

“Out with the old, in with the new!”

Post covid, a number of new students have joined the boarding house. On 6th April, there was an Ice Breaking session organized for the new students to introduce themselves and get to know their peers. For the introduction, all the new students sat in a circle with the council members, Vinayak Singla (Vice MUN President), Hriti Sethia (Vice Cultural Secretary) and Ishaan Shyampuriya (Vice Head Boy). A fun session of Musical Chairs took place whose winner was Roghav Ramesh. A photo session was conducted with all the students and all of them were given gift hampers as a welcome gift.

Dominos Pizza Party

On 19th March our boarders had a wonderful time enjoying their favourite Pizzas and garlic bread with various dips. The largest pizza company in the world, Domino's proudly continues its legacy of delivering great-tasting pizza to our Boarders at Genesis Global School. Students had the liberty to choose from 2 veg and 2 non-veg pizzas along with a side snack, which was then followed by a rich and savoury Chocolate Truffle cake served by our in-house bakery. We hope to continue these types of parties regularly in our boarding house. The resident students truly cherished the treat and the smile on their faces afterwards was indeed, the cherry on top.

Staff vs Students Volleyball Match

“Those who play together, grow together”

A staff vs students-in-residence volleyball match was conducted on 5th March, Saturday, by Mr. Mitson and Mr. Gautam. Many teachers from the residence participated, including the house parents, and competed with the resident students. The match began at 10:30 am after breakfast and lasted for one hour. Many teachers and students had never played volleyball before but enjoyed the game. The match was played for the best 5 sets, and the match stood at a cliff-hanger at 2-2; eventually, the Resident Students claimed the victory.

Football tournament for Boarders

“I learned all about life with a ball at my feet.” - Ronaldinho

An intra-squad football tournament was organized by Mitson Sir, Dean Residences for the boarders on the weekend. This tournament, with four teams - Red, Blue, Black, and White, brought the passion for football to the forefront as each team played four matches each in the league. Neha Ma'am (The Football Coach) helped organize the tournament which was played on the newly prepared football turf. Team Red and Team Blue qualified for the Finals and 'Team Blue' bagged the winner's title.
