INSTRUCTION DURING SCHOOL CLOSURES

Objective: to ensure academic instruction continues during periods of school closure.

Policy Statement: GGS believes instructional time is important and will ensure that disruption to learning is minimized during the period of unexpected school closure.

Procedure

- At the beginning of each term the teachers will ensure their students appear in a 'Teams' group for their class
- Teachers will be prepared to provide instruction via 'Teams' should the school be closed for any reason.
- Parents will be informed by Edunext of the days program by 8:00 am of the day of closure
- The schedule for the affected day will be altered to reflect reduced instructional time:

Pre- primary and PYP class schedules will be communicated via Edunext

- Clubs and ASP programs will not take place on days when campus is closed.
- Students are responsible to login to class, attendance will be taken
- Assessments scheduled for the day of closure will take place upon return the next day (or day school resumes)
- Students are responsible for all work presented on-line
